RE: Threshold Program Director

Dear Minister Malouf:

This letter is in reference to the Millennium Challenge Account Threshold Program Grant Agreement (the “*Agreement*”), dated April 8, 2015, between the United States of America, acting through the Millennium Challenge Corporation (“*MCC*”), and the Republic of Guatemala (“*Guatemala*”), acting through its government (the “*Government*,” and, collectively with MCC, the “*Parties*”). Capitalized terms used in this letter are defined in the Agreement and retain the same meaning in this letter unless otherwise noted.

Pursuant to section 4.11 of the Agreement, MCC may issue Implementation Letters to furnish guidance or instructions to the Government for use in implementing the Program.

As discussed in MCC’s earlier letter of January 17, 2020, MCC believes that additional time from PRONACOM’s senior leadership will be necessary in order to ensure that the Program Objective is achieved. Currently the PRONACOM Executive Director’s time is split amongst several programs and this does not provide for adequate time to be dedicated to the Threshold Program. MCC has received the letter dated February 11, 2020 in which the Ministry of Economy accepts MCC’s proposal to name Francisca de Jesús Cárdenas Morán as Threshold Program Director given her experience and knowledge of the Program.

Therefore, the Parties hereby agree that the Government will include the new position of Threshold Program Director for the Threshold Program within PRONACOM, which position will be funded entirely with Threshold Program funds. The Government hereby designates Francisca de Jesús Cárdenas Morán as “Threshold Program Director” and the Threshold Program Director is hereby named an Additional Representative under the Agreement and is hereby delegated the authorities to coordinate, manage, implement and oversee the Program, including without limitation, managing the implementation of the Projects, allocating resources, managing procurements and executing contracts, cooperative agreements or other similar arrangements.

Please acknowledge receipt of this letter and indicate your agreement with its terms by signing below and delivering the signed letter to my attention via facsimile or email. If you have any questions, please do not hesitate to contact John Wingle or me.
